

## Halfmoon Girls Softball, Inc.

Halfmoon Girls Softball will be running a recreational league as well as a Travel league for 2016. Registration is currently open for both leagues on our website: [www.halfmoonsoftball.com](http://www.halfmoonsoftball.com)

**The rec league** will run from mid-April to the first week of June and the way it will operate will be dependent upon how many girls sign up for each division. If we do not have enough girls for multiple teams in a division, we will reach out to other leagues to see if they would be interested in playing games. Games will most likely take place on Saturday with the possibility of a game during the week. Halfmoon Rec Softball's main focus will be teaching the girls how to play the game. This will be done in a clinic type format before games are played. If you have any questions regarding rec softball, please contact us at [halfmoonsoftball@gmail.com](mailto:halfmoonsoftball@gmail.com).

**Travel softball** is for girls that want to compete at a higher level. The goal of travel softball is to get them ready for high school ball and beyond. In travel ball, we don't just teach the game of softball. We are currently recruiting girls for the following levels of play (based on their age as of 1/1/16): 10U, 12U, 14U, 16U, and 18U. Travel softball takes a great deal of commitment. You may be busy from September through July with a few weeks off in between (winter holidays). A commitment is needed by both the player and the parents. The travel coach will determine how much actually traveling a team will do based on schedule and skill. Tournaments are available on weekends locally and out of state. If you are interested in joining a travel team please contact us as soon as possible. Tryouts will be held in March and are listed on our website.

Halfmoon Girls Softball, Inc. is a not-for-profit organization. We have an established 501 C 3 and the organization is run strictly by volunteers. We depend on fundraising and sponsorships to keep our costs low. If you would like to get involved or become a sponsor, please contact us.

If you have any questions, please contact us at [halfmoonsoftball@gmail.com](mailto:halfmoonsoftball@gmail.com) or call 518-810-9160.
